Student of the Month

The Diller-Odell Elementary Student of the Month for September was Sidney Engelman. Sidney is a 1st grader and is a responsible student who gets her work completed

and brings back homework. She keeps her work area organized and helps keep her classroom picked up. She is respectful and is a friend to her classmates. Sidney is a positive role model. She is the daughter of Brooke & Adam Engelman. Congratulations Sidney!

Volunteer Needed in Kindergarten

Have you been looking for an opportunity to make a difference in your community in a fun and meaningful way? We are looking for someone who could volunteer for about 90 minutes on Thursday mornings each week from 10:00 - 11:30. You would be working with 2 or 3 students at a time guiding them through prepared skill stations such as letter and number recognition, word building, even game playing skills encouraging sportsmanship and social interaction. The individual attention they get during this time is invaluable to their progress in learning and building confidence in their ability to succeed. The

only things we require are that you enjoy children and are not opposed to hugs and other displays of excitement and joyful energy.

Please contact the **elementary school 793-5570** or Mrs. Heble at pheble@dillerodell.org if you are interested. Thank you!

Birthdays Needed!

The 2nd graders will soon be creating the 2016 Diller-Odell Community Birthday Calendar.

If you have any additions, corrections, or deletions for the calendar, please email them to Mrs. Hynek at jhynek@dillerodell.org or call the elementary school office at 402-793-5570.

SUPPORT OUR ART CLUB!

Diller-Odell Art Club will be selling Scentsy as a fundraiser from 11-16-2015 to 12-1-2015. Proceeds are to go towards a trip to Kansas City in the spring. They will visit a graphic design business and the Cross Roads Art Galleries. The trip finishes with a good time at Worlds of Fun!

FFA Participates in Area Land Contest

Sixteen members of the Diller-Odell FFA Chapter participated in the southeast area land-judging contest held on October 14th in Beatrice. The event was sponsored by the Nemaha Natural Resources District to provide experience in evaluating and learning how to treat and manage soil resources.

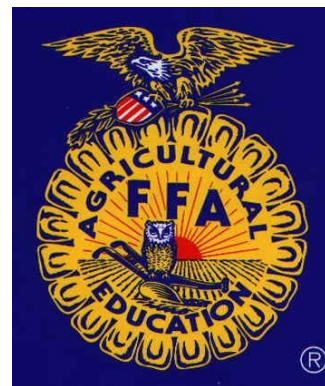

The contest had different areas of land to evaluate according to soil depth, texture, permeability, slope, organic material, and the amount of erosion. Land usage and treatment recommendation were made for each area. Ribbons were awarded to the top 45% of the contestants. There were 136 students from 10 schools making up 34 teams participating in the event.

Individually, Katie Schultis placed first and Theresa Zarybnicky placed third. They both earned a purple ribbon. Cody Scheele, Caleb

Schultis, Bladen Ahl, and Dylan Wolbert each received a blue ribbon. Jonathan Schmidt, Spencer Schmidt, and Ethan Rupprecht received red ribbons. Katie Zarybnicky, Cory Engelman, and Bailey Schroeder all received a white ribbon.

The team of Katie Schultis, Cody Scheele, Bladen Ahl, and Ethan Rupprecht received the second place plaque and qualified for state. The team of Theresa Zarybnicky, Jonathan Schmidt, Katie Zarybnicky, and Bailey Schroeder placed third.

Other members participating were: Brandon Rickers, Faith Novotny, Adam Schultis, and Joslyn Edmond.

From the Diller-Odell School Nurse.....Dusty Duis, RN, BSN

New to our School.....In November Diller-Odell will be hosting a Dental Hygienist. Every student will be screened by the Hygienist. There will be a questionnaire and permission form coming home. Check your students bag for the form in the near future.

The info and forms will also be available on the school website, dillerodell.org.

SKIP Flu Clinic Sees Growth by Dusty Duis, School Nurse

On October 14, 2015, immunization nurses representing Public Health Solutions arrived to our school to host the annual SKIP Flu program. The goal of the program is to offer the vaccine to school students and staff so they do not need to miss school hours to obtain it. The vaccine is available to the insured and the uninsured. For those with insurance Public Health Solutions requests a copy of the insurance card and takes care of the billing; making it a very convenient and easy way for students to obtain the vaccine. This year the clinic saw a lot of activity compared to years past! Data available from 2009 shows that only 25.5% of the students took ad-

vantage of this opportunity. This year saw a 10.2% increase! 35.7% of students and 34 staff received their flu vaccine through this program. As your school nurse, it has always been my goal to see the participation numbers rise each year. With thanks for the school bulletin, school website, our local Griffin sportscasters, and The Village Voice I'm excited to report that since 2009 our participation rate has gone up every year! This is one convenient opportunity to take advantage of to help keep our children healthy! Thank you for your support and participation!

The new Girl Scout Daisy Troop #20759 would like to thank everyone who donated to the bake sale. As well as a huge thank you to all those who purchased items from the bake sale. The girls raised a good amount of funds to support the troop, for activities, trips, patches, and more. Thank you, The daisy troop girls!
