**Diode COMMUNICATIONS**

Thank you to the Kross-Eyed Cricket and BCI for all of your hard work and effort to make Odell Day a successful day. You made so many of the day's activities happen, and you are appreciated. The Fringer & Sohl families have joined our community of Odell and are such an important part of it. They are an example of how someone can quietly have such a big impact on a small community. They don't sit back and watch or wait to be asked...they make things happen! Never to be heard complaining and always positive, their attitudes are to be commended and should inspire all of us! Our community of Odell would NOT be the same without their businesses, families and support. And they know how to have a good time! :)

**Thank You!**
