NEW BUSINESS IN OUR AREA

Rock Creek Aquaculture is a business owned and run by Scott Pretzer and his family 3 miles southwest of Diller. They offer Farm-to-Table Fresh Shrimp and they give everyone tips on guidance and preparation. Please visit www.rockcreekshrimp.com to see more about the business. You can also check it out on Lance's Journal at 1011news.com. Call

402-793-5553 or visit them at 70850 578th Ave., Diller, NE 68342. Tours are available for families, organizations and other groups for \$5.00 a person.

Hours: Fridays: 5-8 pm, Saturdays: 9am-Noon and Sundays: 1-3 pm

The Old West Trails Center in Odell will be celebrating 10 years!

- August 21—Solar Eclipse
- August 26—Odell Day

The State Bank of Odell will be Closed on Tuesday, July 4th

Find Your Way To DILLER and Into 'THE PATH OF TOTALITY'

Monday, August 21st of 2017 there will be a Once in a Lifetime event in Diller. Our community

is in the 'Path of Totality' for the Total Solar Eclipse, the first to occur in North America in 99 years.

The partial phase of the eclipse will begin in Diller at 11:36 A.M. Diller will experience totality for 2 minutes and 9 seconds starting at 1:02 P.M. During this totality phase day will turn to night and temperatures may drop 25 degrees.

Plan to join eclipse watchers at the Diller-Odell Football Field in Diller to share this monumental event.

****Free viewing glasses will be provided.**

****Bleachers will be available (or bring your own lawn chairs) & restrooms will be open.**

****Win prizes during the "Moon Walk", play trivia games and listen to music.**

****Food & drinks will be available or pack your own lunch.**

****Listen or dance to music from Enigma. They will be playing 70's, 80's and original music at "The Field from 11:00 am—2:00 pm.**

If you would like to arrive early or stay a while there are 12 camper hook ups in the Diller Village Park which offer water, sewer, trash pick up, internet and cable for a cost of \$15 per day for 50 amps and \$13 per day for 30 amps. To reserve a camper pad, phone 402-793-5330. The park is shaded, serene, and offers a picnic shelter and play ground.

The total solar eclipse is the first in 99 years to cross North America from coast to coast. It begins in Oregon and will take less than 2 hours to reach South Carolina. The next will occur in 2024 and after that 2045.

Travel to Diller and get into the path of totality on eclipse day. See one of the greatest sights the sky has to offer.

Any questions contact: Marla @ 402-793-5545 or Lana @ 402-793-5946

"A grudge is a heavy thing to carry"

Rockin' In Odell

By Kate Kostal: Odell Cookies 4-H Club News Reporter. The Odell Cookies just started taking part in a new treasure-hunt trend that ROCKS! (this is from parentmap.com) "The premise is simple: Gather a few supplies (flat, paintable rocks, acrylic paint, sealer, paint brushes), decorate your rock — getting as creative as you like — and seal it. Write instructions on the bottom of the rock that tell the finder which Facebook group to post a photo to once it's found. Then, hide. You can also post a photo of the rock on the page after it's hidden, giving clues as to location. Some people will only choose to create and hide, while others will participate in it all; painting, hiding, and finding. If you find a rock, you can either re-hide it or keep it. Lots of people choose to keep their first rock and then re-hide the rest." Feel free to move the rock to another town too! We hid our rocks on Thursday, June 29, so start hunting! Then go to FACEBOOK and type in @rockinodell. This will take you to the official page for Odell. Feel free to paint your own rocks and hide them. Although our 4-H club started this, it is NOT just for 4-H members...it is for ANYONE! Have fun!

ATTENTION 5-12 Grade

Band Students

If you would like your instrument to be sent in to be repaired or cleaned this summer,

drop it off at either school office by July 10. Keep in mind the offices will be closed July 3-7.

On a piece of paper put your parent's name and the best phone number they can be reached at and put it in your case. The repair shop always calls with an estimate before proceeding to repair or clean. All instruments are dropped

back off at school when finished.

If you have any questions email Ms.

Schoenrock or text/call her.

Spotlight on D-O Staff

Pamela O'Neil is an English Teacher for grades 9-12 at Diller-Odell High School. Mrs. O'Neil resides in Beattie, KS with her husband Ryan and their 1 year old son, Raleigh. Ryan is a farmer. This is Pam's 1st teaching job out of college and she has been here for 3 1/2 years.

Pamela attended Southside Elementary and Elko High School in Elko Nevada and she finished High School in Hanover. She received her college education at Cloud County Community College, Kansas State University and Peru State College.

Mrs. O'Neil's favorite part about teaching here is the community and camaraderie in the work environment.

She is also the One Act Sponsor and an Assistant Track Coach for the High school.

In Pam's spare time, she enjoys running and reading.

Congratulations to Marcus Eickmann!

He received his Associate of Applied Science in Electrical & Electro-mechanical Technology Degree during the SCC graduation ceremony in June
