Rice Lodge & Conference Center, Odell, Nebraska

June has been a very busy month for the Rice Lodge & Conference Center in Odell. Which we love!

74 rooms were rented in the month of June. We also gave a tour to a group of ladies looking for the perfect spot for their scrapbook group. They loved it! Then Allied Tour & Travel out of Lincoln brought a bus tour group of 50 in for a tour.

The group also toured the Old West Trails Center Museum across the street. This was really fun! July & August aren't quite as busy, but there will be lots of extra people in Odell then too.

Look us up on Facebook (info from 2010 to present), online at www.odell-nebraska.us & Rice Lodge tab. Email address is ricelodge@diodecom.net and phone number is 402-806-2174.

The Frisbie Family Reunion at Odell's Rice Lodge was a hit! The Frisbies' have more roots to the Rice Hospital than the birth of 7 of the cousins. One cousin's mother died there and one of the aunts who died at 98 years old had spent about a month in the Rice hospital when she was young. The Odell/Beatrice/Diller area is where they came from and coming "home" felt really good to them because of the friendly folks of Odell. They had an outdoor breakfast cookout and church under the trees in the front lawn. The camper sites close to the Lodge really was nice for the family members that didn't fit in the Lodge. They used every square inch! They said this was "A VERY MEMORABLE time.

"such a fun time at the beautiful restored Rice Hospital, now a B & B, where 7 of us were born! We had 15 cousins so that is almost half! We had about 55 folks from AZ, CA, FL, IA, MS, NC, MO & NE. We had a church service on the lawn, played yard games, sang songs in the evenings, and had very comfortable beds." Sharon Frisbie Smith

One of the greatest gifts you can give your children is the gift of selflessness and service. In our world of “me, me, me”, it is a hard lesson to give them, when everyone around them is doing the opposite. But, it is a gift that is needed in our world. Teach them to serve others. Teach them to take care of themselves because then they will be able to serve others. Teach them compassion toward those around them. Teach them kindness and love. Teach them that is it not just about them as an individual, but about how they, as an individual, fit into the world and make those around them better people.

WHY SHOULD YOU VOLUNTEER?

One of the best reasons to volunteer is simply to show you support your community. Whether you are an individual, a young parent, parents whose kids are grown or you are retired, you are part of the community. Also, if you have kids, it teaches them to volunteer and serve others. Involve them in your volunteering, it is a great lesson.

“Volunteers develop new skills in a totally unique environment, and this in turn benefits a professional resume.”

Congratulations to the Griffin Boys Coach Pitch Team!

Next OACE Meeting: Monday, July 16, 7:00 pm @ Corner Bar

The Diller-Odell Spanish Club made their trip to Mexico May 24-31, 2018. 13 students and 3 adult sponsors arrived in Merida, Mexico (after a slight air-line/airport delay) on May 25, 2018. While in Mexico the group was able to serve at an orphanage in Marida, where they interacted with the kids and put their Spanish skills to use with coloring and sticker books. They also polished the girls’ nails. The kids at the orphanage really enjoyed checking out the students’ phones. They played games and took pictures with the Snapchat filters.

The group then travelled to visit a Mayan family in Santa Elena. The Zamora family showed the group aspects of their daily lives, including making 150 corn tortillas by hand, extracting plat fibers to make rope and how to sleep in a hammock!

The group then travelled to Uxmal where they explored the Mayan ruins, learned about Mayan pyramids, ball courts, architecture and religious beliefs. They even climbed the 74 stairs to the top of one of the pyramids! That evening they attended a festival of crafts, food and dancing.

On the groups’ 3rd day in Mexico they went to the ancient city of Chichen Itza. Their tour guide, Ricardo, educated them on the ancient city’s history. Following

this they were able to go to a beautiful underground natural lake with a waterfall where they “cliff jumped” and swam. It was a fun and educational day!

The next day they went to Xelha, a tropical eco park water resort where they got in a bit of relaxing. While staying at the resort, they were able to visit a replica of a Mayan village and Mexican cemetery. They experienced a 2 hour show that included Mayan Ball games, a dramatization of Mexico’s history and famous dances from Mexico.

The group had a “free day” the next day and got to choose either deep sea fishing or para sailing. That evening they ate at a

“fancy” restaurant, Hacienda Don Diego and had a four course meal.

It was an amazing experience for these kids. Thank you for everyone’s support at all of their fundraisers to make this trip happen!
