Light it up BLUE this month!

ODELL HIGH SCHOOL CLASS OF 1984 WANTS YOUR HELP IN ODELL!

Be proud of your hometown. It's a BIG part of what makes you the person you are.

For the OHS Class of 1984's 35 year class reunion, we would like to invite all OHS alumni, families and friends to get together for this wonderful project-filled weekend.

Please join us on Memorial Day weekend, Saturday, May 25 & Sunday, May 26, to spruce up our hometown. There are many projects that need to be done from cleaning the Welcome to Odell rocks, general fix it projects at homes for those who need some extra help and the elderly, even painting in the park and downtown.

Details for the weekend are still being worked out. Please join us whether it is for the whole weekend or just a couple of hours. Your efforts will make a difference! All classes are welcome.

Please let us know if you are willing to come and help and if you have any special skills or tools you would be willing to share.

There will be time for the workers to spend some time catching up and reliving the good ole days at OHS!

Please email judydavlik@yahoo.com or leave a comment on the Facebook page (OHS 1984 Class Reunion/Work Day) that you are in! You can also ask questions via email or Facebook. Please let us know if you can make it by May 1st so we can finalize the projects we will concentrate on. Of course, if you do not RSVP by then, we would still welcome you!

EASY WAY TO GIVE TO THE ODELL FOUNDATION!

If you are like me, you may do a bit of shopping through Amazon.com. You can now make this shopping a way to help out our community of Odell. The Odell Foundation is now setup with AmazonSmile, which means, when you go to <https://smile.amazon.com>, you can select the "Odell Community Foundation" as your charity and Amazon will donate a small portion of your purchase amount back to the Odell Community Foundation. This adds no extra cost to you or your purchase at all. The only stipulation is that you can't use it through your mobile app, you need to use a web browser and always to go the above link to shop. This can be done both for your personal and business Amazon accounts. What an easy way to give back! <https://smile.amazon.com>.

Rice Lodge is now on airbnb.com!

The Rice Lodge & Conference Center, Bed & Breakfast is here for you and your family. We have added the facility to "airbnb.com". Check it out. Our availability website went out of business and we are currently working on finding a new website for that. We are, however, able to accept credit card payments thru a new vendor. We have that up and running. Call 402-806-2174 or email ricelodge@diodecom.net for reservations. Our website: ricelodge.odell-nebraska.us has numerous photos of all the rooms at the Lodge and also information about the sponsors of the rooms and much more information. We love to give tours too!

**COMING IN JUNE—
ODELL LIBRARY
PRESENTS “THE
LEGO GUY”**

The Odell Public Li-
brary will have a
special presenta-
tion and event on
June 14, from 2-4
pm. Mark your
calendars! Curtis
Mork, “The Lego

Guy” will be in Odell! Curtis has been a Lego fan since he was 6 years old and has been working with libraries for 12 years. Mr. Mork has presented in 8 states, including: Colorado, Wyoming, Kansas, Nebraska, South Dakota, Iowa, Minnesota and Wisconsin. He has over 620 Lego sets in his collection (mostly Star Wars & Lego city). He has the largest Lego collection in Colorado. During his stay and presentation in

Odell, Curtis will host fun and interactive exhibits, presentations and creative work-
shops for children to get involved. He works with children of ALL AGES (including Senior Citizens!), so everyone is welcome! He will have a couple dozen of his own sets, which this year is based on the “Space” theme, so will include Star Wars and NASA.

During this event Mr. Mork will start out by giving the attendees a bit of Lego history for about 10 minutes, then he will move into the building portion where you will get about 30 minutes to come up with a creation. Then your creation will be displayed.

Watch for more details to come; this event is 2-4 pm on June 14 at the Odell Library. **THIS IS A FREE EVENT!!!** Contact the Odell Public Library for more info or to let them know you are interested in participating!

**February Student of the Month**

The Diller-Odell Elementary January Student of the Month was Catie Knabe. Catie is a hard working student who always gives her best effort. She is trustworthy and helpful. Catie is responsible to complete all her work and homework. She is a friend to everybody and is a great role model being responsible, respectful and safe! Catie is the 1st Grade daughter of John & Ranay Knabe. Congratulations Catie!

**TIME TO ROUND UP THE 2018-19 KINDERGARTENERS!**

WEDNESDAY MAY 1 - 9:00-11:15 AM

Kids who will be 5 years old on or before July 31 are eligible to attend. (Little Griffin Preschoolers may follow their regular preschool routine for coming to and leaving school. They will attend the round up and then finish their day in their classroom.)

**Diller Odell Board of Ed Minutes
High School Media Center Odell
Tuesday, March 12, 2019**

7:30 pm—Regular Board Mtg.

Members Present: Paul Kostal, Angie Clifford, Gary Stohs, Adam Engelman, & Jill Scheele. Toni Landenberger's absence was excused.

Motion to approve minutes of last meeting was made by Paul Kostal and seconded by Adam Engelman. Motion passed with 5 yea and 0 nay.

No student report.

Principal Mezger reported on activities such as Dr. Seuss Week and upcoming NSCAS and MAP Assessments. He gave the schedule for upcoming activities such as Kindergarten Round-Up (May 1), 7th Grade Orientation (Aug. 12) and Elementary Open House (Aug. 13). Recent successes at FFA contests and winning the District Speech meet were noted. The Board would like to make sure all staff are sharing successes in school not only on our school website, but with local media.

Motion to accept the resignation of Katie Husman was made by Angie Clifford and seconded by Jill Scheele. Passed with 5 yea, 0 nay. The Board thanks Ms. Husman for her time at Diller-Odell and wishes her the best in her future pursuits.

Motion to approve a teaching contract for Craig Lister for the Ag Position was made by Adam Engelman and seconded by Angie Clifford. Motion passed with 5 yea, 0 nay.

Principal Mezger reported that Info Tech Night is set for Aug. 12. KSB Law will again provide information to our

students and parents. He also reported on the upcoming NETA (Nebraska Educational Technology Association) conference on March 28-29.

Superintendent Meyerle have an update on the progress of the new gym, and shared some stain color options for the floor with the Board. He reported that the floor had been poured, some upper windows installed and that some framing should be this week.

Superintendent Meyerle reported that Ronda Duis plans to retire at the end of the school year from her position as Head Cook. The Board thanks Mrs. Duis for her 31 years of service to the District.

Superintendent Meyerle and the Board discussed the future of football and whether the Diller-Odell would plan on staying 8 man or look at switching to 6 man football in the future. The team numbers are expected to be low to begin the 2019 season, but since it is the middle of the two year NSAA schedule cycle, no change can be made. With future rosters of the 2020 season through the 2024 season estimated at 20+ players of those interested in playing, the Board and Administration believes those numbers are solid enough to play 8 Man football. The 2020 and 2021 schedules will be released early in 2020.

Recent legislation news was discussed, as well as the softball and boys golf co-ops with Southern. The Board would be willing to contribute finances to future coops, but would like Diller-Odell to be recognized in the team name. Summer sports activity was discussed

as the Board has concerns over the number of camps and overnight stays away from the home that some of the programs have been taking. Limits for programs were discussed. It was agreed that a max of 4 camps with no more than 5 overnights total for the summer would be allowed per program.

The Board discussed the fitness center use for personal training by a qualified individual. The Board directed Superintendent Meyerle to research the topic more in depth.

With the poor condition of gravel roads in the District, he noted to the Board that buses would only operate on paved roads or in tows the rest of the week.

Motion to approve bills as presented made by Jill Scheele and seconded by Paul Kostal. Passed with 5 yea, 0 nay

Motion to NASB membership was made by Adam Engelman and second by Jill Scheele. Motion passed with 5 yea and 0 nay.

Board members will be attending the upcoming NRCSA conference in Kearney March 21-22.

Superintendent Meyerle plans on all the Meeting adjourned by President Stohs at 8:45 pm

Next regular meeting is Monday, April 8th; 7:30 pm in the Elementary Media Center in Diller.

10 THINGS EVERY CHILD WITH AUTISM WANTS YOU TO KNOW

- | | |
|------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------|
| 1 I am first and foremost a child. Autism is just one aspect of my character. | 6 It's hard for me to tell you what I need when I don't know the words to say it. |
| 2 Ordinary sights, sounds and touches of everyday life that are normal to you can be painful for me. | 7 Be patient and consistent; I learn better when you tell, show and do things with me. |
| 3 It isn't that I don't listen to you... it's just that I can't understand you. | 8 Focus and build on what I can do rather than what I can't do. |
| 4 I like routines because I know what to expect. | 9 I want to be with others but I don't know how. |
| 5 Don't compare me with other children...I am special in my own way. | 10 Love me unconditionally, because I promise you I am worth it. |

Gary Stohs Named Outstanding Board Member of the Year

Congratulations to Board of Education President Gary Stohs. Gary was the recipient of the Outstanding Board Member of the Year Award for NRCSA (Nebraska Rural Community Schools Association) last week. The award encompasses rural schools from the entire state of Nebraska.

Gary is in his 22nd year and 6th term as a Board member for the school district. (Photo shows Gary with his wife, Karen and son, Kyle.)

Mercy Meals Packing Event Successful

Thank you to over 150 volunteers who helped pack 45,360 meals in 10 hours on Monday, March 18, 2019 in Odell! Meals were packaged for Blue Rivers Area Mercy Meals and will be picked up by Orphan Grain Train from Norfolk, NE and distributed around the world!

Photo to right: Diller-Odell School FBLA (Future Business Leaders of America) helped with MM by covered a full shift with over 30 students. Clockwise starting at lower left corner: Rachel Stanoscheck, Ryan Arnold, Kennedy Belknap, Mallory Denner, Allison Engelman & Morgan Phillips.

Mural “Refresh” Project Starting Soon!

This project is slated to begin this month. Please contact Robin Stanoscheck if you can help or would like to donate toward this needed project for Odell. The Tuckpointing will be done first. What is tuckpointing? The professional will come in and remove

any crumbling mortar from the existing wall. He then will replace the mortar with new. This will give the wall approximately 10+ years more life! (13 years on the last one). This is a necessity for this project to happen, otherwise the wall will continue to deteriorate. ALSO NEEDED: Reliable, Volunteer Painters to help when the painting begins. Can you help with this? Please contact Robin Stanoscheck @ 402-766-3725 or 402-520-1661 if you have questions, can donate or can offer your talents and help with the painting! Checks can be made out to “Odell Community Foundation” and are tax deductible. Donations can be sent to Odell Community Foundation in care of Larry Stanoscheck (Treasurer), Odell, NE or dropped off at the State Bank of Odell.

Gage County Relay for Life set for April 27

It's wrap-up time for the 2019 Relay for Life in Gage County. The final team captain meeting is Tuesday, April 2, at 5:30 p.m. in the lower level of Centenary United Methodist Church, Beatrice. Anyone interested in participating or volunteering in any way is encouraged to attend. Team captains unable to attend should send a team representative in their place.

The Relay for Life is being held Saturday, April 27, from 4 p.m.-11 p.m. at the Gage County Fairgrounds under the theme, “Celebrate – Remember – Fight.”

This year's event is on target to reach a one million dollar contribution total since it started in Gage County in 1998, the first year the relay was held in Gage County.

Cancer survivors are invited to the annual meal that day but preregistrations are needed. The meal will be served following the cancer survivor opening walk at 4 p.m. Any survivor who would like to attend this complimentary meal, and who has not received an invitation, may contact Marian DeBuhr at 402-520-2350 as soon as possible. Complimentary T-shirts will also be available for survivors. The meal is sponsored by Beatrice Community Hospital and Health Center. Reservations, however, should be made directly to DeBuhr.

There are many ways to help in this cause by sponsoring a walker, donating online, purchasing luminarias in honor of loved ones, or donating an item for the live and silent auction. Luminarias, honoring past and present cancer patients, are available for a \$10 donation from any participant. These will again be displayed around the walking track at the event.

A moving video tribute to honor past and current cancer patients will be played throughout the evening of April 27. The photos have been compiled throughout the 21

years of the Gage County relay. New photos are welcome and encouraged. For more information on the video or to submit a photo, contact Zach Coffin at 402-223-2341, or email him at: zachcoffin@att.net. The deadline is April 15.

The American Cancer Society has been working relentlessly to end cancer. Since 1946, the ACS has invested \$4.8 billion into research programs. In addition, 8.5 million free rides to treatment have been provided to cancer patients. Organizers are asking for the community's help in providing funds to continue the work of the ACS by walking, donating, volunteering, or just showing up to lend a word of encouragement or a hug for a cancer survivor.

Contact Corinne Koch, people/team lead, at 402-239-3904, for more information. Any civic group or business interested in having an ACS Relay speaker for their meeting may contact Kathy Steinkamp at 402-228-1844. Interested persons may also contact any other committee member: Kari Jobman, 402-239-9403; Alisa Pesek, 402-239-7307; Marian DeBuhr, 402-520-2350; Mary Wieters, 402-520-0258; Verdella Vetrovsky, 402-223-4041; Brian Saathoff, 402-223-5179; SuAnn Saathoff, 402-223-6547.

Walkers registrations are still being accepted. The deadline for walker T-shirts was March 18. Registrations, donations, or more information is available online at www.relayforlife.org/gagecove; or visit Gage County Relay for Life Event on Facebook.

**Odell Cookies 4-H Club
News Report by Kate
Kostal, News Reporter**

The Odell Cookies met on Friday, February 8, 2019 at the Wymore Food Pantry. (See photo below) We helped to restock and sort through a lot of food and hygiene products. They had a lot of different things to sort, such as, canned fruits and vegetables, stovetop, mac and cheese and a lot more. We also helped divide 5 lb bags of pancake mix into smaller servings.

After about 2 hours of sorting and shelving, we were done.

Then for our March meeting we met on Sunday, March 24th @ 1:00 in the Diller-Odell High School Library. Our roll call was our favorite spring activity. We talked about upcoming 4H events, such as the Speech Contest and the 4H kick off. Schwab's provided refreshments. Our next meeting will be on Sunday, April 28th @ 1:00 pm.

7 Tips for Parents of Autistic Children

GO INTO THEIR WORLD: Imitating or mirroring their behavior, language, and movements is a great way to open communication with your child, especially if verbal communication and language are limited.

AUTISM ISN'T AN ILLNESS; It can't be cured...simply, it's a brain that's wired differently. Once you open your mind to this you can work with and not against your child!

DON'T COMPARE: It's natural for parents to compare children—their own, or friends and class-

mates. The sooner to learn NOT do this, the better! Your child is a unique individual and comparing what they can and can't do will benefit no one.

DON'T SWEAT THE SMALL STUFF: You'll need to save your energy and patience for the bigger battles (think access to service, education, etc.) so try not to let the little things get you down.

CHOOSE YOUR BATTLES: Along with not sweating the small stuff, you'll find life is smoother if you choose your battles. Know when something needs to be addressed or whether it really doesn't matter

in the grand scheme of things.

FIND TIME FOR YOU: "You can't pour from an empty cup". If you don't take care of yourself, you can't take care of your dependents effectively. Finding time for yourself may be hard, but try to fit at least a little in each week.

FIND YOUR TRIBE: You can't make this journey alone. You will need support, advice and a shoulder to cry on—as well as those to celebrate the good times with you! Find people who "get it".

Big news from...

C & C PROCESSING

DILLER, NE

Chad and Courtney Lottman would like to announce the sale of C & C Processing to Shelly and Jesse Smith of Diller Locker. We would like to thank everyone for their past patronage for the past 25 years, and hope that they will continue to support Shelly and Jesse on their new venture. With the transition we are asking that anyone with gift cards use them prior to May 15 as they will not be able to transition into a new system.

Thank you for all the years!
