Mural “Refresh” Project Is Rolling!

The Mural on the north side of the Corner Bar building is in the process of being “refreshed”! Tuckpointing was completed quickly and volunteers got started painting on Sunday, April 28, with 8 volunteers working a total of 28.5 hours (Thank you to Laci P., Carmen S., Perry G., Patrick, Callan and Amanda M., Josh N., and Robin S.!) Please watch for updates on next painting dates! The planned finish date is May 31. Donations are still being accepted through the Odell Foundation. 15 Families and 1 organization donated a

total of \$3,000. Use of scaffolding and lift was also donated, which saved the project \$800. Thank you to those who contributed the use of those items!

2019 OACE Calendar:

May 4: Odell Garage Sales
May 25: Odell Run for Fun
August 24: Odell Day
October 31: Odell Trunk or Treat
November 30: Odell Craft Fair

WEDNESDAY, MAY 22 BOOK CLUB DISCUSSION

Book Selection: “Wonder”. 6 pm. This Discussion will include ALL generations, so if you have children or grandchildren who have read the book, bring them along! Refreshments provided!

Help Bring a Makerspace to your Library!

The Odell Public Library is in the process of raising \$1,300 to provide our local Library with a Makers Space!

What is a Makerspace? A place in which people with shared interests in computing or technology, can gather to work on projects while sharing ideas, equipment, and knowledge.

What Would Our Library Have?

Because of our limited space, what our library will have is a Makerspace Cart. This will house items such as: STEM items and projects, Blocks, Brain Builders, Geometry, Geo Boards, Marble Set, Circuits, Magnets, Ozobots, Coding Mouse, Legos, Art & Craft Supplies. Kits that will be included are: Geology, Geometry, Magnet, Lever & Pulley, Magnetic Geometric Club, & Circuit. Games included will be: Gravity Marble, Color Matching, Thumbs Up, and Mental Critical Thinking Games. Our hope is to be able to offer programs for kids of all ages to come into the library and test their skills with different areas of interest. Once we raise the funding for this, we will “load the Makerspace Cart” up and start scheduling the programming at the Library! HELP IF YOU CAN!!

Above is our EMPTY CART ready to be filled with knowledge and experiences!

Below is just one example of a Makerspace Cart

HOW CAN YOU HELP?

Donate to the Library Makerspace Project by making a check out to: Odell Foundation/Odell Public Library. Drop off at the Bank or send to: Odell Foundation, c/o Larry Stanoscheck. Odell, NE 68415 This is a tax deductible donation. Contact any Library Board member if you have any questions: Catherine Renshaw, Joyce Kostal, Shannon Novotny or Amanda McKinney.

The Odell Public Library will be CLOSED on Saturday, May 4

I have written about change before, but I like to bring it up again, because it seems that sometimes it is easier to stay where you are than to change something. It takes a bit more work, but for anything to move forward, change MUST happen. Whether it be in your personal life, within our small communities, or when helping with something, you must be open to change. Speaking from a parental view, our way of parenting our kids has to change as the world changes. We get stuck in the frame of mind "that's not how I was raised", "that's not what my kids did when they were little", or "that's the way we did it, so you have to also." We all know the world is much, much different, and is changing much quicker than it used to, so we have to be able to adapt our

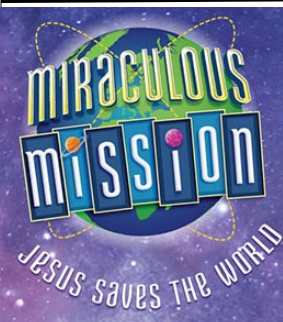

ways as the world changes, or we will be left behind. Be open minded with your kids and the world they are growing up in. Change with it so you can parent to their needs. Our communities have to change if we hope to be around years down the road. We have to be open constantly to new things and new ways of doing things. We have to be open minded to people who want to push things forward and make changes.

We have to be able to accept that change can be made, minds can change, what once was, may now be different and have to change. What was once said by someone can also change. People can change their minds, if you see something that changes your opinion about something and how it is done, be open to accepting that change. IT

is OK to change your way of thinking! You don't have to always think the same way. We are human and God has given us free will, so he expects this from us. He expects us to change and move forward and take as good of care of this world he gave us as we can.

Be bold, be brave, be open, be kind. Open yourself up to this and everyone around you and things can get done! Be cooperative, not argumentive. Be a good listener, not a good talker. Make life easier for those around you, not harder. Don't just give your opinions, give your actions. I have a lot of quotes in this issue, they are all close to my heart. Teach these ways to your children, live this way, show others that change is great!

"The past is a reference, not a residence."

March Student of the Month

The Diller-Odell Elementary March Student of the Month was Braydin Wendland. Braydin is a student who is always positive. He always has a smile and tries to put smiles on his classmate's faces.

Braydin strives to do his very best in his school work and wants to excel

as a student and a person here at school. He is in the 6th grade and is the son of John & Jen Wendland.

Congratulations Braydin!

Diller Odell Board of Ed Minutes Elementary School Media Center

Diller—Monday, April 8, 2019

7:30 pm—Regular Board Mtg.

Members Present: Paul Kostal, Angie Clifford, Gary Stohs, Tony Landenberger Adam Engelman, & Jill Scheele. Motion to approve minutes of last meeting was made by Angie Clifford and seconded by Paul Kostal. Motion passed with 6 yea and 0 nay.

Skylar Pretzer and Korey Theye reported on recent student activities. Congratulations to students with their success in FFA, Speech, Golf and Track. Some students will be assisting with a local blood drive in Odell, April 10.

Principal Mezger reported on current enrollment numbers which are 253 in PK-12. In 2017-18 the number was 258 in March. He also noted that the ACT Test will be administered to all juniors on April 10. He reported that the textbook schedule had been updated for both the elementary and the high school.

Eric Hackler addressed the Board about use of the fitness centers for personal training of individuals. The Board will consider, but would have to update policy for the center to be used by anyone for profit, and also charge rent for the use. Mr. Hackler also stated he would be very interested in working with students that would want the assistance. This extra assistance would be similar to what some students do outside of school through the YMCA. The Board recognizes how this service would benefit residents. Superintendent Meyerle will research the possibility with legal counsel and insurance reps.

Motion to update Policy 3022 passed with a motion by Toni Landenberger and a second by Jill Scheele. Passed with 6 yea, 0 nay. Board updated Policy 3022 on Volunteers. The last statement in the policy is the update and reads: Volunteer Coaches will be assigned with the Head Coach making a request to the Activities Director and assigned with the approval of the Superintendent. No person shall be approved as a volun-

teer coach if the volunteer has children playing on the respective sports team that the coach would volunteer for.

The Board recognizes the success and popularity of the Nebraska Beef in Schools Program in other schools. Local beef would be donated and served at school lunch. Superintendent Meyerle will research the topic more and speak to the owners of the Diller Locker, and report back to the Board.

Re-elect certified staff with the exception of those who have resigned or have been given notice of non-renewal. Passed with a motion by Paul Kostal and a second by Adam Engelman. 6 yea, 0 nay.

Motion to approve a classified wage increase of 3% for 2019-2020 made by Toni Landenberger and a second by Angie Clifford. Passed with 6 yea, 0 nay.

The Board reviewed the Extra Duty assignments for 2019-2020

Superintendent Meyerle reported that an area of the parking lot at the elementary was recently paved. It is an area large enough for 26 cars. It will be a welcome improvement as the lot turns very muddy, and loads of rock over the years did not provide a long term solution. He also noted that the gym progress is on schedule, and that the front area remodel will begin as soon as school is out for the summer.

The Board discussed leasing two micro buses. With some routes getting smaller these buses that can carry a max of 14 passengers offer several positive options. No CDL is required, which will make it easier to find some drivers in the future. Also, in place of two small vehicles or a large bus, these small buses could make some activity trips. Superintendent Meyerle noted he would trade at least one of our higher mileage large buses. The Board will discuss again at the May meeting, and a rep will be there from Blue Bird Buses to answer questions.

The Board was receptive in paying Southern a per student cost for softball and golf. The Board is very appreciative

of the opportunity for Diller-Odell students to participate in those sports. They would ask that Diller-Odell be recognized as part of the team name with the NSAA

There was some discussion, per Superintendent Meyerle's request, on changing the age limit on the attendance at school functions such as Homecoming or Prom to allow no persons out of high school to attend. No changes will be made. The allowable age for outside dates will remain at 20 years or younger.

Motion to approve bills as presented made by Adam Engelman and seconded by Angie Clifford. Passed with 6 yea, 0 nay

Superintendent Meyerle, Principal Mezger, and the Board congratulated Gary Stohs for being named the Outstanding Board member from the state of Nebraska at the recent NRSCA conference. The award is a tribute to Gary's 22 years on the Board and the service to the school district.

Motion to adjourn the meeting was made by Toni Landenberger and a second by Adam Engelman. Motion passed with 6 yea, 0 nay.

Meeting adjourned by President Stohs at 9:02 pm

Next regular meeting is Monday, May 13th; 7:30 pm in the High School Media Center in Odell.

Odell Cookies 4-H Club News Report by Kate Kostal, News Reporter

The Odell Cookies 4-H Club met on Sunday, April 28, 2019. We cleaned up the Peace Pocket Park in Odell for Community Service. We will also be filling "Day on the Farm" bags at the Gage County Fairgrounds on May 5th. We will be picking up trash along the roadside on Thursday May 23 at 7 pm. We are also helping with the Odell Run for Fun on Saturday, May 25 by running the water stops, then we will go help the Legion Auxiliary by distributing poppies around town in memory of veterans. We hope to take a field trip in

Photo above, clockwise, starting from the left: Jacob Novotny, Ryan Rempel, Shelby March, Alex Tate, Hannah Penner, Emily Rempel, Ashtyn Humphreys & Jaedyn Hajek

June. Because we are doing so much service in May, we will not have a meeting.

Riverview Jr. Stockmen 4-H Club News Report by Braeden Humphreys, Club News Reporter:

Riverview Jr. Stockmen 4-H Club met March 31 at Our Savior's Lutheran Church in Wymore. We called the meeting to order at 6:10 pm. New member Zach Schnuelle was introduced. We did roll call which was what is your favorite spring activity

Enrollment must be completed online and the county dues paid at that time. Dues to the club are \$5. For our club project, we will be growing succulents. There will be a tailgate kick-off party for 4-H in Beatrice at the 4-H Building on April 9, from 5-8 p.m. For the flooding that has been happening in Nebraska, Riverview Junior Stockmen is donating \$500 to the Nebraska Cattlemen's Disaster Relief Fund and the

Farmers Cooperative of Dorchester is matching that donation. If anyone is interested in making donations to the relief fund, they can take feed, fencing or a monetary donation to their local Farmers Cooperative location. Monetary donations will be matched by the Coop.

Refreshments were served by the March, Oltmans, and Zimmerman families.

Our next meeting is scheduled for April 28.
