The Board reviewed Policy #5052 on School Wellness.

**Regular Board Meeting—7:00 pm**

Present: Paul Kostal, Adam Engelman, Angie Clifford & Kolin Kotas. The absences of Dusty Duis & Kasey Murphy were excused. Motion to approve minutes of last meeting made by Adam Engelman, seconded by Angie Clifford.

Passed with 4 yea, 0 nay.

Principal Mezger reported on assessments, graduation, and the testing schedule for 2023-2024. He also noted that the Kindergarten class expects to be around 20 students.

The Board reviewed Policy #5054 & #6020

Motion to renew golf coop with Southern HS made by Angie Clifford and seconded by Adam Engelman.

Motion passed with 4 yea, 0 nay. The Board did discuss exploring the possibility of having a sports coop in baseball in 2025-2026. Such a coop would mean the school would not coop boys

golf any more at that time. The school cannot support 3 boys sports in the spring and an addition of a boys sport would not be possible without also adding a girls sport due to Title IX. The Board did discuss having renewed talks with Southern Public Schools on the possibility of a coop in boys and girls track.

Superintendent Meyerle noted that a new kitchen exhaust hood would be installed at the elementary this summer as the existing one is out of compliance. He also reported that the track would be due for a resurfacing in the summer of 2024 and he would plan accordingly.

Superintendent Meyerle have a financial updated with recent changes in school finance legislation. Due to the passage of LB 583, Diller-Odell Public Schools will receive more state aid, which in turn, will help the district decrease its overall tax levy. The change does come with some new restrictions on Property Tax Authority. Last year the school's overall tax request was \$4,719,494. For 2023-2024, the state has lowered many school districts Property Tax Authority. Diller-Odell's is \$4,915,743 with a 70% approval vote from the Board. Superintendent Meyerle recommends that the Board approve this increase at the July meeting, in case it is needed due to a change in circumstances. The approval of the increase does not mean that the school will levy the increase, but should circumstances arise that it is needed, they could do so. Valuations are not due to school districts until August 20, which further complicates the issue. With a number of unforeseen matters, the prudent option is to increase the Property Tax Authority in July in case it is needed. Motion to approve bills as presented made by Adam Engelman and seconded by Kolin Kotas. Passed with 4 yea, 0 nay. Motion to adjourn made by Angie Clifford and seconded by Adam Engelman. Passed with 4 yea, 0 nay. President Kostal adjourned the meeting at 7:37 pm.

The next regular Board meeting is scheduled for July 17, 2023, 6 pm at

the High School. Prior to the meeting will be a Student Fee Hearing at 5:50 pm and a Parental Involvement Hearing at 5:55 pm
