The Rice Lodge, Bed & Breakfast, in Odell is looking for volunteers for this Spring & Summer. We would love to have help with upkeep on the flower beds. We need help cleaning, planting and/or watering. You may pick and choose what you would like to help with when you have time. We are also thinking about adding a “pollinator garden” to the lawn on the East side of the building if there are enough people interested in helping. This garden would include walking paths and benches. UNL would be involved with this if we were to go ahead with it. Anyone interested in cleaning, planting, planning or watering please contact Janice Duntz, Lead Volunteer Master Gardener of the Rice Lodge, (402)223-9945 or Gwen Vitosh, (402)806-2174.

We also love to give tours of the Rice Lodge. For tours, information or reservations, please call 402-806-2174 or email ricelodge@diodecom.net or find numerous photos of each room on our web site: ricelodge.odell-nebraska.us or just internet search “Rice Lodge, Odell, Nebraska”.

May Student of the Month

The Diller-Odell Elementary Student of the Month is Avery Pryor. Avery tries her best every single day. She is someone who doesn't let a challenge of any sort ruin her outlook on her day, but instead is motivated to think it out and use her positive attitude to guide her decisions. She has improved academically so much this year and is a fabulous friend and peer model for others in her class and in her school. Avery demonstrates all of the characteristics of what a Griffin strives to be, not only when someone is watching, but even when it is just the right thing to do. She is the Kindergarten daughter of Justin & Maggie Pryor. Congratulations Avery!

Odell Sand Volleyball Courts

The Summer Sand Volleyball League begins in June. The League plays in Monday evenings. They will be leaving the nets up throughout the week for convenience.

The group has been able to get sand, nice nets, poles, balls, and scoreboards thanks to generous donors. They are currently working toward having lights on the courts. A portion of the profits made on league play or tournaments goes to the Odell Fire Department. They would like to have the nets available throughout the week for the community to use. With this being said, please be respectful of the courts and the nets/poles, so they can continued to be used.

If you have children who will be using the courts, PLEASE remind them to be respectful and responsible.

Thank You

We would like to send a big thank you to the folks that took their time the day after Easter to walk the blacktop south of Odell and pick up trash! My daughter and I had just walked the south portion the day before and commented on the amount of trash in the ditches. That Monday was a beautiful day. We appreciate you spending it walking the ditches to keep our community clean! Dusty Duis & Family

Odell “Originals” - Ted Kruger

Flies To Work, Flies, Then He Flies Home Again

Ted Kruger flies to work in the morning, flies while he works, then flies home again.

Most recent addition to the flight instruction staff at the local airport, Ted lives on his farm four and a half miles south of Odell.

When flying weather is good and farm work not pressing, he takes off in the morning from the improvised landing strip on his farm for the Beatrice 'port, where he instructs students during the day.

A former army service and glider pilot with 1,800 hours and a commercial license to his credit, he received his instructor's rating a few weeks ago, and was added to the local airport staff.

He was among those who WPT (an outgrowth of CPT) flight training at the Beatrice airport early in the war, later served in the European theater as a flight officer, and now is a lieutenant in the reserve.
