A Fun and Safe Evening at the 7th Annual Odell Trunk or Treat

OACE hosted the 7th Annual Trunk or Treat on Main Street Odell on Friday, October 27. It was a chilly evening, but the turn out was great—both for Trunks and Trick or Treaters! Treats and Activities were provided by local businesses, organizations, school groups, churches, and individuals. Certificates and Odell Bucks were sent out for different awards for trunks. THANK YOU to EVERYONE who participated. Every one of you made the evening fun and successful! Consider hosting a “Trunk” next year on FRIDAY, OCTOBER 25, 2024. It’s a great way to see all the kids in their costumes and interact with local community members. (more on page 4)

Mercy Meals Blue Rivers Area in Its Ninth Year

Mercy Meals Blue Rivers Area began with their first packing event in February 2014. The Odell Community Building was updated and inspected to be an official site in December 2015. Since MMBRA began, Odell has hosted 12 Packing events. The supplies and volunteers have moved around to different sights throughout the Blue Rivers area in

those years. 10 years of packing will be celebrated in 2024 (we did miss one year in 2020 due to COVID). Pastor Gregory Stuckwisch was the leader in making this great organization and events happen. Pastor Stuckwisch was part of Mercy Meals Southwest Nebraska in Wauneta, NE before he and his family moved to Odell. There are Mercy Meals throughout the state of Nebraska. Each “package” contains food product to feed 6 individuals. Odell has packed approximately enough to feed 6000,000 people. If you are interested in volunteering at this next event, contact the numbers provided.

Regular Board Meeting—7:00 pm

Present: Adam Engelman, Paul Kostal, Kolin Kotas & Kasey Murphy. The absences of Angie Clifford & Dusty Duis were excused. Motion to approve minutes of last meeting made by Adam Engelman seconded by Kasey Murphy. Passed with 4 yea, 0 nay.
No student report
Principal Mezger reported on PTC, the upcoming MTTTS conference, some data updates, school safety suggestions, and school improvement items.
Cally Ideus from Aegix presented information on safety features utilizing technology. The Board appreciated the information and is interested in setting up a more formal presentation to the Board.
Superintendent Meyerle presented an early edition of a 2024-2025 school calendar for the Board to review. The calendar will be formally adopted later. The calendar has school starting on Thursday, August 15, 2024 with the last day being May 22, 2025
The School Safety Committee presented a few items for Superintendent Meyerle to consider.

Superintendent Meyerle gave an update on negotiations with the DOEA. The Board hopes to have a two-year contract settled before winter break. The Administration and the Board discussed playing 6-man football in 2024 and 2025. Superintendent Meyerle and Principal Mezger answered questions and noted some concerns they have with continuing to play 8-man football the next two years. Both administrators feel the change would be good for our students the next two years. Superintendent Meyerle noted that Diller-Odell would continue to play 8-man football in JH in 2024 and 2025, preferably in a continued coop with Southern. If Diller-Odell would play 6-man football in 2024 and 2025, the school would seek a junior varsity schedule in 6-man. The school's declaration of playing either 8-man or 6-man football is due to the NSAA by November 30, 2023. Team schedules are set by the NSAA. Should the school change to 6-man football, it would be on the November Board meeting agenda. The Board would like to hear any input patrons have on the matter. Patrons should contact Board members directly to share their input. Any change would only affect the next two sea-

sons at this point. A new classification declaring would be due in November of 2025 for the 2026 and 2027 seasons. Motion to approve bills as presented made by Kolin Kotas and seconded by Kasey Murphy. Motion passed with 4 yea and 0 nay. Some Board members will attend the NASB conference in November. Superintendent Meyerle noted he would take care of upcoming registrations for the NASB conference. Motion to adjourn made by Adam Engelman and seconded by Kasey Murphy. Passed with 4 yea, 0 nay. President Kostal adjourned the meeting at 8:35 pm. The next regular meeting is scheduled for November 13, 2023 at 7:00 pm at the High School

The Virtue of Charity

A song in our hymnals when I was young was called “Where Charity and Love Prevail.” The first verse went like this: “Where charity and love prevail/there God is ever found/brought here together by Christ’s love/by love are we thus bound.” This hymn has stood the test of time and is still in our hymnals today.

Charity is the theological virtue by which we love God above all things for his own sake, and our neighbors as ourselves for the love God. Charity is the form of all the other virtues and is superior to

them. Charity acts like the mold by which all the other virtues are formed.

Many are familiar with Paul’s description of charity in First Corinthians. There, he describes charity as being kind and patient, that it is not jealous or boastful, nor arrogant or rude, nor irritable or resentful. He teaches us that charity bears all things, believes all things, hopes all things, and endures all things. This passage describes love so well that many couples select it for the Scripture on their wedding day.

I think one of the greatest effects of charity is that it purifies our human ability to love. Our love can be drawn up into the supernatural perfection of divine love. We can love with the very love of God. At the Last Supper, Jesus commanded the disciples “to love one another as I have loved you (John 15:12)” he calls this his new commandment. Jesus has set the bar high for

what he expects of us in the practice of charity.

Paul in Romans teaches that Christ came to us while we were still enemies. Because of this redemptive death upon the cross, we are no longer enemies. So, in imitation of Jesus, who prayed for his enemies from the cross, we too must love our enemies and be willing to forgive them for wronging us. We are to consider ourselves as neighbor to those whom we will never meet or know in this life. We are to love the poor and children as Jesus himself loved them.

Jesus calls us no longer slaves, but friends. Since he has “first loved us (1John 4:19)”, we are called as his friends as his very sons and daughters, to love him and our neighbor in return. If we love others out of love for Jesus who commands us to love, we love as innocently as little children.

I have interchangeably use the terms charity and love. Traditionally, even before the life of Christ, love was broken into four categories: romantic love, brotherly love, familial love, and unconditional love. The latter is the one which best defines charity, as this selfless love requires sacrifice or service toward the one loved.

People say that “love makes the world go round.” Love shown to all people truly keeps the world together; it begins with you and me loving one another. Rev. Loras Grell, St. Mary’s Church-Odell
