## SMALL TOWN MEMORIES

You can name all your classmates.

The nice thing about living in a small town, is when  
you don't know what your doing, someone else  
does.

The gym teacher suggested you haul hay for the  
summer to get stronger.

When you decide to walk somewhere for exercise  
5 people pull over and ask if you need a lift.

Directions are given using the grocery store as a  
reference point.

It's normal to see an elderly person riding a 3  
wheeler through town.

When driving, everyone waves at each other.

The Odell Community Foundation is a vehicle for community improvement. Our purpose is two-fold: to raise funds and to channel funds into various projects for the betterment of the community as a whole.

Individuals who donate monies or property usually do so because they once lived in Odell or nearby. They wish to have a part in maintaining or improving the Odell they grew up with.

By making our community a nicer place, we hope to be an attractive place for people to live, increasing our population and perhaps our business community.
